education

\*NZ domestic students study at no cost thanks to the TTAF Scheme.

Must be a NZ Citizen  
or Resident

Learn everything you need to know about systems administration and become an invaluable member of any organisation.

# NEW ZEALAND DIPLOMA IN SYSTEMS ADMINISTRATION

## LEVEL 6

Calling all aspiring systems administrators and desktop analysts. New Zealand needs you! Build your technical and specialist skills in IT support with this one-year diploma and gain an internationally relevant qualification that will fast track your career. Expert tutors, practical training, and great pathways to employment.

### What will I learn?

Learn to implement technologies for systems and network services, manage a directory service, and master automated system and applications software deployment. You'll also develop data storage solutions, write scripts to automate standard system procedures and administer infrastructure for remote network access. Plus, you'll fine tune your communication, information design, personal and interpersonal skills.

### Core Papers

- Network Services
- Active Directory Services
- Infrastructure Virtualisation
- E-communications (project)
- Applied Communications
- Automated Systems Deployment

Learning will be delivered using a blended (face to face) learning approach and you will be encouraged to engage with your fellow students and tutors in class and via your online learning portal.

### Employment Pathways

Graduates of this qualification will have the skills and knowledge to gain employment in roles such as IT technician, help desk, Tier 1 and 2 desktop support, systems administration or in applications support.

Graduates also have the background to progress into more advanced roles such as senior system administrator or application support analyst roles.

### Am I eligible?

This programme is open to anyone aged 18 and over.

Students must hold the New Zealand Diploma of Information Technology Technical Support (Level 5) ; or equivalent knowledge, skills and experience.

In order to receive free training under the Targeted Training and Apprenticeship Fund, students must be New Zealand citizen or resident or an Australian citizen.

Applicants must be proficient in English.

*Our courses are taught in English, so you need to be able to read and write well in English to understand the course content and requirements.*
